Do we have something from Zions Bank stating this? I wonder why they would issue a CD if it wasn't funded before making it out? This is really strange.

this cd has been reversed via Zions Bank. This cd is NOT funded...there is due diligence required on the paperwork, therefore Wilhite has cancelled.

Hi Beth:

We received an original \$10,400 CD from Zions Bank, CD cover letter and letter from Bank putting administrative hold on CD. No RC.

I put all the original documents in the bottom file drawer.

Cheers;
